For Grades 3 to 5

Dear Parents,

Kindly note,

World Environment Day 2026 was observed on 5th June with the theme “Climate Change”. In alignment with the National Education Policy 2020 and Mission Life, CBSE, our school will be conducting activities / competitions that foster environmental awareness and sustainable living among the students.

We, at Unnati English Academy, will be conducting an E-WASTE BEST OUT OF WASTE COMPETITION on Wednesday, 24/06/2026 during the school hours for the students of Grades 3 to 5.

Create a useful, innovative, or decorative item using discarded electronic materials such as CDs, keyboards, wires, circuit boards, mobile phone parts, and other non-hazardous e-waste components.

Guidelines:

- Use only safe and clean e-waste materials.
- The article should be creative, useful, and environment friendly.
- Students must explain how the product can be reused and its benefits.
- Bring all materials required for the competition from home.
- Any sort of Sharp and hazardous items are strictly prohibited.
- **Duration for the competition:** 1 hour.
- The item created should be properly labelled with student's full name, class and section, and house.
- Newspaper or a rough cloth is a must for spreading on the desk before the activity.

Looking forward for an Enthusiastic Participation from the students.

Regards,

Principal,
Unnati English Academy.
